

Owasco Watershed Lake Association

The background of the slide is a scenic landscape photograph. In the foreground, there is a green field with some dry, golden-brown patches. In the middle ground, a large red barn with a white cupola stands next to a smaller red building. Behind them, a line of trees with vibrant autumn foliage in shades of orange, yellow, and red is visible. In the background, a calm lake reflects the sky and the distant shoreline, which is also covered in autumn trees. The sky is a clear, bright blue.

Welcome
