

Owasco Watershed Lake Association

The background of the slide is a scenic landscape photograph. In the foreground, there is a green field with some yellowing grass. In the middle ground, a red barn with a white silo and a smaller red outbuilding are visible, surrounded by trees with vibrant autumn foliage in shades of orange, yellow, and green. In the background, a calm lake reflects the sky and the surrounding forested hills, which are also covered in autumn-colored trees. The sky is a clear, pale blue.
