

Owasco Watershed Lake Association Membership Form

The Owasco Watershed Lake Association exists to protect Owasco Lake. We are a citizen-based, 501(c)3 not-for-profit corporation founded in 1988. Our guardianship extends beyond the lake shore across 208 square miles of watershed, the land area where every drop of falling, flowing water eventually reaches Owasco Lake.

OWLA works best with more members to raise our voice loud and clear. If you live near the lake, recreate on the lake, depend on it for your drinking water, or need water to keep your business flowing, we need your membership and **your voice!**

To start or renew your tax-deductible OWLA Yearly Membership by check: fill out this form and mail us.
To pay by credit card go to: www.owla.org.
